THE CAPACIAN, CAPAC COMMUNITY HIGH SCHOOL, CAPAC, MICHIGAN, KARLENE GRAYBIEL, Editor

THIS IS THE YEAR THAT WAS

This year, as all years at Capac High, will live on in many hearts for a long time. This year was very important for many people: students, faculty, and administration alike. For the seniors, this year meant their last of education at Capac. And to the remainder of the students, it meant preparation for their last year, when they too would finally graduate. To the faculty, maybe it meant another year of teaching these students what they needed to pre-

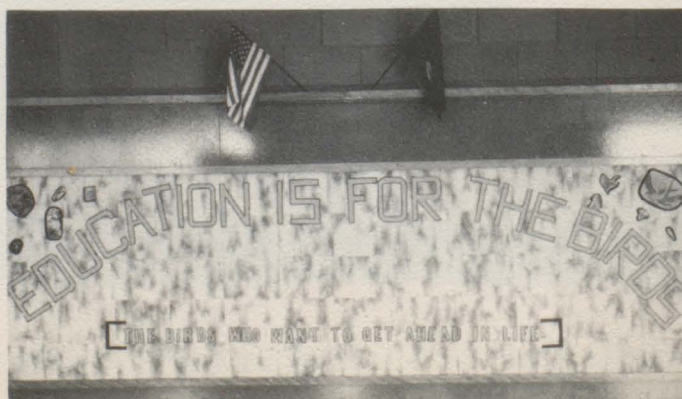

pare for the big world outside the school. To the administration, it may have been a year of big decisions. To Arja and Steve, our foreign exchange students, we hope it meant a very profitable year in America.

Whatever it meant to whomever was concerned, we hope it meant a year of happiness which they will always want to remember.

CAPAC COMMUNITY HIGH SCHOOL

Dedicated 1957

BOARD OF EDUCATION

N. H. BRENNAN, PRESIDENT

ROBERT MARKWART, SECRETARY

ROBERT LUMBARDO, TREASURER

HOWARD A. SMITH, TRUSTEE

JAMES CLARK, TRUSTEE

GILBERT PARKS, TRUSTEE

HARVEY DAFOE, TRUSTEE

IT'S BEEN A GREAT YEAR!

The 1965-66 school year will be recorded in the pages of history as one of the most productive for the Capac Community Schools educational system. It's a year in which many projects were started that will have a lasting affect on educational opportunities of the area.

Major projects and activities undertaken by the district this year include:

1. The sale of bonds and the beginning of construction of the new Capac Elementary School.
2. The employment of a Director of Special Education Services through a cooperative program with Yale and Memphis.
3. Participation in a County Wide study of vocational education needs in St. Clair County.
4. The employment of a Curriculum Coordinator and an expanded guidance program for grades K-12.
5. Installation of a new heating system in the old elementary building.
6. Participation in a County Wide study to determine the feasibility of expanding Port Huron Junior College to a county community college.

Yes, it's been a great year because much time and effort was spent this year planning to make future years even greater. Henry David Thoreau said it, this way, "I know of no more encouraging fact than the unquestionable ability of man to elevate his life by a conscious endeavor."

ROBERT SLOAN
SUPERINTENDENT

THAT WAS THE YEAR THAT WAS

That was the year that started with our already crowded condition becoming even more crowded with the addition of several new students. Even as this condition was with us, we could see in the future, by viewing the erection of the new elementary school, the time when room will not be our foremost problem, but rather when the availability of space will enable us to put into practice many new and improved programs that have been recommended and discussed during recent years. Yes, that was the year when Capac High School viewed the present with one eye and the future with the other.

SENIOR CLASS

Donna Mae Smith
Treasurer

Capac High School's Senior Class welcomed our exchange students, Arja-Leena Arolinna (affectionately known as "Kitty") from Finland and Stefan Martensson, from Sweden. This marked a good beginning for our final year at C. H. S. Our efforts for a Homecoming float finally paid off, as we placed second. Our biggest project for the year was sponsoring a "Christmas Ball" on December 11. Diane Greenia and Bill Lamphere reigned as Queen and King. The Ball turned out to be quite a success.

This being a year for decisions, we chose navy blue and white as our class colors. Our flowers are white carnations tipped in blue. "We have reached for the stars and have gotten stardust,--But the stars still lie ahead," is our class motto. Presently, plans are in the making for our "Skip Day" and for our Graduation party.

JUNIOR CLASS

Ron Drew
Treasurer

The class of '67 opened the school year by welcoming Mrs. Fischer, Mrs. Thompson, and Mr. Gisler as our class sponsors. The float which we entered in the Homecoming parade received first place, and we won the spirit jug for being the class with the most school spirit. In November, our play "Onions in the Stew" was given. We also had a fun night in November. At present, we are planning the Junior Prom.

SEVENTH GRADE

George Sivec
Treasurer

The seventh grade started the year on by electing officers. Our next event of the year was the magazine sale. We were the first class to reach our quota. The Student Council furnished a fun night for us.

When Halloween came, we kept ourselves busy decorating windows.

In Survey we studied German and 4-H. In 4-H we went on a conservation tour. We held a local Spring Achievement and those members who received an "A" rating exhibited at the County Achievement.

At the Spring Carnival we had three concessions: the jail, cake-walk, and fortune-telling.

We had two fun nights. Mr. Smith provided entertainment for both of them.

OUR JUNIOR PLAY

ACTIVITIES

YEARBOOK STAFF

These are the people who have composed this yearbook. They were lead by Mr. Leslie, the sponsor; Karlene Graybiel, the editor; and Tom Leslie, the assistant editor.

STUDENT COUNCIL

This year, the Capac Student Council has participated in, and sponsored many activities. First, we sponsored a very successful magazine drive, which made possible the purchase of a section of bleachers for the athletic field, in addition to scholarships. This was followed by an equally successful Homecoming of which the theme was "That Was the Year That Was."

Being an active member of the Southern Thumb Association of Student Councils, we

attended all of the League meetings and hosted the January meeting. We also hosted the League Dance in November.

Other activities the Spring Carnival which enabled us to continue our foreign exchange student programs. We also sponsored after-the-game dances which provided enjoyment for all. The members of the 1965-66 Student Council have all worked very hard to make these projects and activities a success.

THE NATIONAL HONOR SOCIETY

The National Honor Society is a service club. Throughout the school year, we undertake such services as taking tickets at football and basketball games, and making posters to improve the appearance of our high school.

We also have some social events such as the annual Christmas party at which we get reacquainted with the alumni.

The largest undertaking is the annual spring induction. This year it was held on March 3 in the high school auditorium. We received fourteen new members and two honorary members into the Society this year. Due to the efforts and hard work of the Honor Society members, this year has been a very successful one for this organization.

NEW INDUCTEES

THE FUTURE TEACHERS CLUB

The Future Teachers Club started the year with 47 members and a new sponsor Mr. Gisler. The officers elected were: Marilyn Brown, president; Paula Palmateer, vice-president; Karlene Graybiel, secretary; Lois Boner, treasurer; and Bonnie Smith, historian. On October 8, we went to Mount Pleasant to tour Central

University. We sold sweatshirts to the community this year. We escorted people for Open House on November 11. We helped move the town library. There are some senior girls cadet teaching right now at the other schools. The Washington trip is being planned right now and also an exchange program with Utica is underway.

THE FUTURE NURSES CLUB

The Future Nurses Club held their first meeting of the year on September 29, 1965. Election of officers took place with the following positions held; president, Margie Spencer; vice-president, Judy Lietz; secretary, Camille Eldridge; treasurer, Carol Hawks; reporter, Linda Wojtytsiak; historian, Rhonda Rhyder; student council representative, Carol Warvie.

Throughout the year we have had a number of speakers. Activities have included such things as working at Health Clinics, Yale Hospital, and Goodells Rehabilitation Center, the booth at the Spring Carnival, and bake sales.

None of this would be possible if it were not for the help and time our sponsors, Mrs. Carl Lang and Mrs. Kahn have given us.

FUTURE HOMEMAKERS OF AMERICA

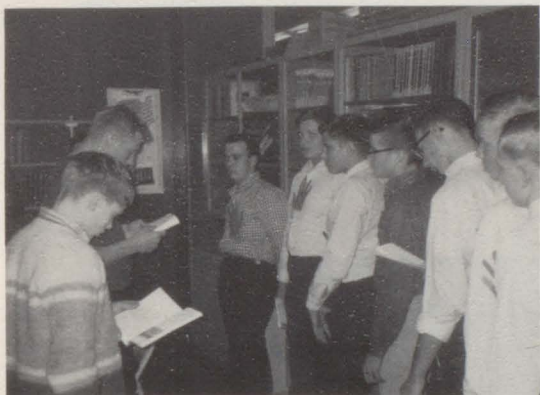

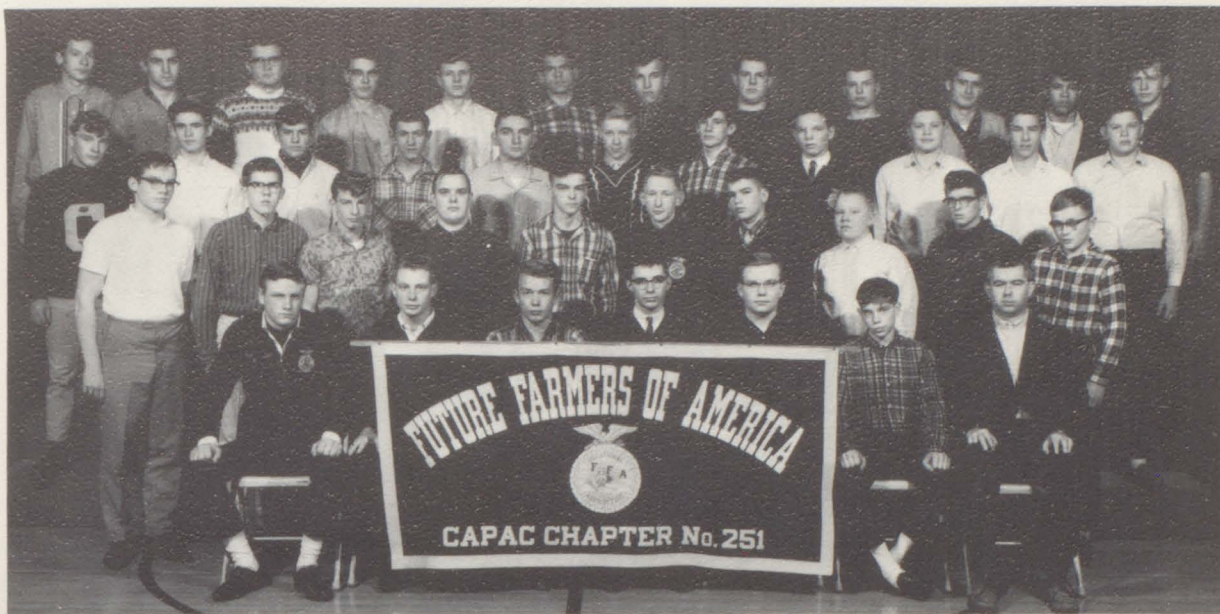

The Future Homemakers of America have been quite busy this year. The officers were elected and are as follows: president, Juliann Markwart; vice-president, Elaine Greenia; secretary, Lorraine Schauld; treasurer, Esther Bugaski; historian, Chris Nowack; and reporter, Linda Tamba. To start things out with a swing, we sponsored a disc jockey dance, which was a lot of fun. We then participated in the F.H.A. and F.F.A. fair along with a couple other groups. Three of our members received

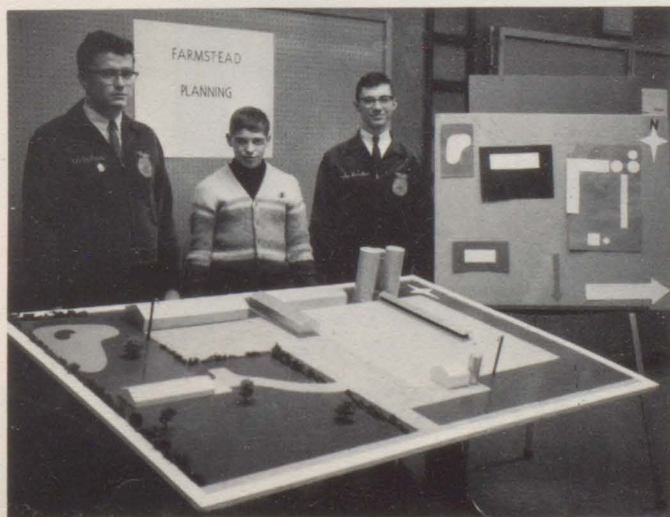

trophies for their fine displays. We set one night aside for lectures on careers. During the year we have sold Capac ink pens and cookbooks. Soon we will be participating in the activities concerned with the Spring Carnival. Around Easter time we will be making and sending favors for the children in the Lapeer Home. We are planning to honor our mothers at a banquet set for May. We are going to try to continue our club activities during the summer months.

FUTURE FARMERS OF AMERICA

This year the Future Farmers have done many things. On August 27 and September 2, we ventured to Michigan State University. In October, we had a Rodent Control Campaign, a Land Judging Contest, and a Crop Show. The month of November brought a Tractor Maneuvering and Plowing Contest and the annual Green Hand and Chapter Farmer's Degree Ceremonies. Farmers Week was held in January. The Leadership Contest took place in February. We are now selling garden seeds. We are now planning, and looking forward to, our FFA Banquet, Agricultural Contest, Point System Award, Big Acre Contest, DeKalb Contest, and Apple Cider Sale.

STUDENT SERVICE CLUB

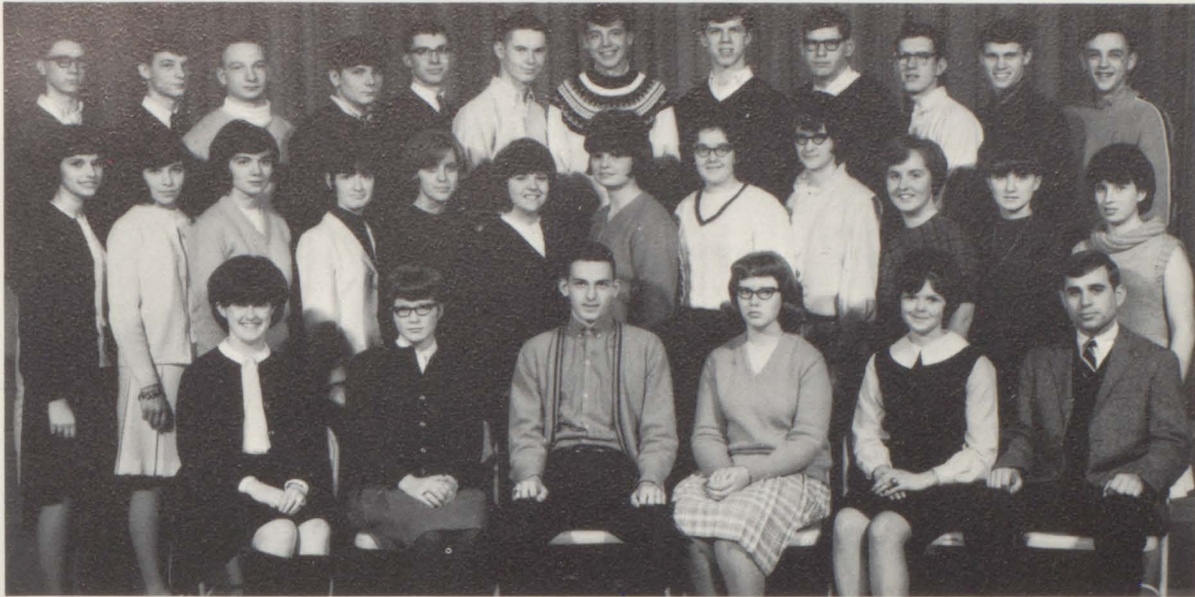

These are the people who help run errands for the Faculty and Administration.

SPRING FORENSICS

This is this year's and last year's Forensics teams. They give speeches in competition with people from other schools.

JUNIOR PLAY

The Class of '67 put all their talents together this year and put on the comedy "Onions in the Stew" by Betty Mac Donald. The play was centered around family life on Vashon Island in the Puget Sound. Gordon Bade and Nancy Christie made perfect parents while Elaine Massie and Carol Ledebuhr played typical teen-age daughters.

The daughters, at first, hate the island and resent being forced to live there. Betty,

the mother, tries to persuade them that they'll soon love it there, but to no avail. As time progresses though, they do become attached to the island and realize they would hate to move.

All members of the cast made the scenes humorous, warm, and moving. Not only the brilliant abilities of the actors, but also the efforts of the different committees working together, made the production a huge success.

DEBATE CLUB

This year the Debate Club's subject for debate was Resolved: That the Federal Government Should Adopt a Program of Compulsory Arbitration in Labor-Management Disputes in the Basic Industries. The negative debators were Doug Dawson, Lynn

Schuneman, Nancy Christie, and Kathy Koning. The affirmative debators were Dolores Manz and Cheryl Malloy. We attended all of our area debates including the district tournaments at Wayne State University.

PROJECTIONISTS

Our Projectionists are a service club. Members give up time during their study-halls to help with our visual aids programs.

This year the group has a larger membership than ever before, and everyone is working harder to help all of the teachers.

LIBRARY CLUB

The Capac High School Library, directed by Mrs. Marion Fischer, plays a very essential role in the function of the high school. The student librarians not only help the students find materials in the library, but also learn to file, process books and audio-visual materials for cir-

ulation, and assume many secretarial duties. In addition, they arrange attractive bulletin boards and display cases and help keep the library in good order, all of which help to make a smooth running library and a pleasant place in which to work.

VARSITY CLUB

The year started off with election of officers. After this, throughout the basketball season, the Varsity Club put on several dances. The Varsity Club was also active in promoting school spirit by selling Capac penants. Also the Varsity Club has had a few fun-nights and the most important thing of the year, initiation.

To get into the Varsity Club, one has to have a varsity letter, which he obtains from playing one or more of the following Varsity sports: track, basketball, football, cross country, baseball. This is the only requirement for admission to the Varsity Club.

PEP CLUB

Lead by the cheerleaders, the Pep Club has done their best to boost the spirit of the school. Their officers are: Rex Ackerly, president; Mary McLaren,

vice-president; Jan Honsinger, secretary; Steve Martensson, treasurer; and Sherry Glombowski, reporter. Mr. Gisler is our sponsor.
